

The Temple Within LLC School of Sacred Studies Disclaimer

The Temple Within School of Sacred Studies does not reflect a certain religious path, spiritual tradition, or doctrine, but is a vehicle for education to bring about awareness pertaining to global religions, spiritual pathways, personal and human development. As an individual, you are welcome to participate in accordance with your own free will.

The curriculum presented does not obligate students to abandon their natural form of religion, spirituality or personal identity. It is offered for educational purposes only.

We reserve the right to refuse any individual that creates conflict or is out of agreement with the integrity of the School.
